WHERE
CAN I FIND
YOU?

My Office Is...
Across from the library

Let Me Know You
Need to Talk By...

Leaving a note under
my door, asking your
teacher, or letting the
office know

*Remember, anything we talk about stays private unless you tell me someone is hurting you, you want to hurt yourself, you want to hurt someone else, or you give me permission to share

Challenge student knowledge about your job through a hunt around the school with clues, or as a trail for your office or classroom

Where is the school counselor's office?

You need to talk with the school counselor. What do you do?

Write your answer on your paper then lift one of the flaps to check

True or False:
The school social worker keeps what you say private

Write your answer on your paper then lift one of the flaps to check

True or False:
The school social worker keeps what you say private

Write your answer on your paper then lift one of the flaps to check

True

False

Great job! The school social worker keeps what you say private unless someone is hurting you, you want to hurt yourself, or you want to hurt someone else. Here is your next clue.

Clue #2: your next stop is a place that has a lot of information. You can go there if you need to call home.

False

ALL ABOUT THE SCHOOL COUNSELOR

Name _____

Group 7

Directions: Follow each clue starting with the one below. Answer each card along the way, making sure to close the flaps before you move on. When you make it back to where you started, return to the classroom. You will start with card #7.

Clue #7: your first stop is by a quiet place. It is full of a lot of things to learn about. You can learn while you are there, or borrow something and learn in your classroom or at home.

Card #1: _____

Card #2: _____

Card #3: _____

Card #4: _____

Card #5: _____

Card #6: _____

Card #7: _____
